

MISTERTON TENNIS CLUB

www.mistertontennis.co.uk

ADULT (over 21) ANNUAL MEMBERSHIP FORM

Member information sharing

We operate a Data Protection policy which requires the authority of the member (or in the case of a child the parent or guardian) to be included in the members directory held on the club website and on our booking system for communication and to enable members to arrange to play and book the court time. It assumes that the member agrees their name, email address and phone number are included in the directory unless they advise that they wish to be ex-directory by advising the Secretary or indicating in the form below by ticking the box.

NOTE - The booking system includes a directory of members and requires an email address for registration.
