

MISTERTON TENNIS CLUB

www.mistertontennis.co.uk

JUNIOR (under 21) ANNUAL MEMBERSHIP FORM

Junior Membership playing times

Outside Adult Club Sessions and YDLTA match times juniors may use the courts when available but they must give precedence to Adult Members waiting to play. (Adult Members will allow you to complete your game before taking over a court.)

Member information sharing

For communication and safety it is essential parents or guardians are registered with the club. We operate a Data Protection policy which requires the authority of the member (in this case parent or guardian) to be included in the members directory held on the club website and on our booking system for communication and to enable members to arrange to play and book the court time. It is assumed that parents agree their name, email address and phone number are included in the directory unless they advise that they wish to be ex-directory. However, they may not be able to use the booking system as that application includes a directory of members and requires an email address for registration.
